# ANTI-IMPERIALISM.ORG

# About

**Anti-Imperialism.org** is a website that provides news, analysis, and culture from a Communist perspective, featuring content that is relevant to the struggle against imperialism and for a revolutionary transformation of society. Anti-Imperialism.org functions as a popular website with news, commentary, essays, and other media for the growing tide of support for revolutionary global democracy.

## Comments policy

Comments are encouraged as part of critical discussion advancing revolutionary struggle. Moderation occurs on a case by case basis at the discretion of the editors.

## Boring Disclaimer

Various information is published or re-published at Anti-Imperialism.org. This does not imply endorsement or affiliation on the part of Anti-Imperialism.org, its editors or contributors, or the Revolutionary Anti-Imperialist Movement. Opinions expressed are those of the respective
