Confirmed: Berkeley Mayor Jesse Arreguin Publicly Supports Violent Left-Wing ANTIFA Group

Cristina Laila Apr 21st, 2017 1:18 pm — [486 Comments](#)

The Mayor of Berkeley, Jesse Arreguin supports the far-left terrorist organization, BAMN according to his Facebook page.

Perhaps this is why the police were told to stand down while ANTIFA threw glass bottles, M-80's and bricks at Trump supporters in his city.

Mayor Jesse Arreguin is a member of 'BAMN' AKA 'By Any Means Necessary', a violent organization affiliated with ANTIFA. Is this something that should be acceptable for a sitting Mayor?

Below is a screenshot of Jesse Arreguin's Facebook page. Click [here](#) for archive link.

The leader of this group is Yvette Felarca. Felarca is a middle school teacher (scary) and her group is behind much of the violence towards Trump supporters. She also works to shut down Conservatives who seek to give speeches at universities.

Journalist, Gavin McInnes tweeted about the arrests of Conservatives who dared go near the leader of BAMN....

“ Wait, WHAT!? The mayor of Berkeley is a member of BAMN? Is that why we were arrested the moment we went near their leader Felarca?

It is time to open carry in Berkeley and if any city representatives try and stop you use what you need to do to keep your GOD given rights. Oh and you don't have to be close to the mayor to get your point accross and his-her attention. These are anarchist and need to be arrested

Detroit, Michigan

So someone injured in the melee should sue the city, the mayor, and the police chief for failure to provide adequate security and in discovery go after the mayor's emails to see if he conspired to deprive people of their free speech rights by telling police to stand down. Then press federal charges.
