Today, propagandists on the left attempted to change the narrative over the violent "Antifa" riots, suggesting that Trump supporters were secretly behind the group's spate of violent terrorist acts since the election:

Robert Reich Lies and Suggests Berkeley Rioters Were Right Wing

Of course, the ultra-liberal, [Armenian Holocaust denying](#), [TalcumX hiring](#), "[better than you](#)" elitists – also known as "The Young Turks," started furiously parroting these Alinsky tactics to cast doubt on just *who* keeps co-opting student protests and turning them violent...

## Young Turks Cenk Floating Right Wing Antifa Theory

And Thursday night, *The Young Turks* Ana Kasparian – a [horrible human being](#), introduced the question of *just who IS this Antifa?*

Hitler realized that you must get the marxist Jews out of the media business in every form because of their constant propaganda push before his Christian Nation could ever excel to Greatness.

America needs to do the same.

The enemy from within: Jews.

Find out where he is holed up, then send in Milo and a camera crew to confront him.

[whoisjg](#) • Feb 5, 2017 11:01 AM

They need to return Milo to Berkeley and have a sting operation. Feds dressed as antifa, pigeons as blond women in trump hats. encircle and wait. first one to strike a woman with their long clubs, the whole lot goes to federal lockup

They do not look like dumb, they are dumb in addition of being wicked.

[Charvo](#) • Feb 5, 2017 7:13 AM

I wouldn't be surprised if Jeff Sessions prosecutes these violent protesters under federal law as being a violation of the 1st amendment. These are crimes against the Constitution.

Trump is laying low now until all his lieutenants get confirmed. Soros and these freak show protesters that want to beat up women are going to be toasted later.

[Sandmann](#) • Feb 5, 2017 5:06 AM

Berkeley has a deadbeat mayor who admires Hugo Chavez

[Rico Soiree](#) → [Sandmann](#) • Feb 7, 2017 4:05 PM

The mayor is a cuck who looks like a night-shift manager at Wendy's. He said he'd studied long and hard in preparation for Milo's talk. Nonsense. Some 400 antifas showed up to prevent 30 unknown TWP protesters in Sacramento. The cops stood by, letting a riot ensue. He didn't think even MORE fascists would show up for Milo?

In Berkeley, cops again did nothing, hiding in buildings, as antifas again ran amok.

Cops paid to protect citizens did nothing. The mayor aided and abetted those who violated the First Amendment.

Why is no one sued, arrested, jailed?

[Stinkytofu](#) • Feb 5, 2017 3:05 AM

before he rats out his pals....

[Davidduke2000](#) → [Stinkytofu](#) • Feb 5, 2017 8:36 AM

If there is anything that the radical communists and anarchists have demonstrated by their actions it is that they have no interest in full and open discussion and that they are eager to bring about the kind of emergency that will require the very repression they claim to fear and seek to prevent.

Drive-by investigation dump. There's a bunch of us out here. I never use my primary account when diming off a dirtbag, always throw-aways. I just leave the evidence up long enough for archive and then delete the account. Not traceable, perectly legal probable cause (anonomous tip with an evidence trail), and keeps my life peaceful.

Rock on snowflakes, but watch your on-line back-trail, it even glows in the dark...

CNN really needs to clean house, be shut down, or forced to run a formal disclaimer at the bottom of the screen 24/7 saying "90% of what you'll see and hear on our network is completely false - we are so incompetent we don't even know when we are lying on purpose or out of pure stupidity - or both."

They are sleaze and it is getting serious now. It's time the networks each have at least one conservative attorney on staff to review what's being published and able to shut down a story when it's complete bullshiit.

Also, the smug little cunt George "I've never stopped working for the Clintons"

Stephanopoulos needs to be imprisoned and the other prisoners just need to know he's a child molestor – so they treat him well. He is as sleazy as they come. OK, and Chris Cuomo is just as sleazy, he's just younger and dumber.

The thug's name is Ian Dabney Miller of Oakland, formerly of New Orleans but from CT. Like

most anarchists that work, he works for the government. In his case he works at Berkeley, Univ. Of CA. I hope this thug is slammed with a felony attempted murder. He deserves it. Reich didn't recognize any of the rioters because he's only 4'9". What a dumb fuck that troll is. Reich is the only guy that has that kind of position with zero credentials. He doesn't even have a PhD.
